Further to a review of The Co-operative Group's democratic structures and practices, 'all out' elections will take place in respect of the Group's area committees, regional boards and Group Board.

With regard to the area committee elections in the Cymru/Wales Region each Area Committee has a total of 12 seats. The geographical area covered by each area committee is defined by postcode (see next page).

Successful candidates will be allocated either a three year, two year or one year term of office, in order to ensure that in future there are election opportunities in each year of the three year electoral cycle.
